How we Assign Vendor Space

The date your application is received is a consideration. There is no way that we can guarantee placement of any vendor. Space **preferences** on your application can only be considered on applications received by the Pacific Partnerships before **the first application deadline** of May 29, 2010. Please note that **if you need power** for your booth, your application must be received by June 25, 2010.

Vendor Acceptance:

Limited number of community services will be available at no charge **for pre-approved** Non-Profits and Government Organizations.

We cannot promise product exclusivity for such items as popcorn, soap, candles, jewelry, handmade crafts, etc. The only exception is for representatives of nationally recognized product lines such as Pampered Chef, Cookie Lee Jewelry and Ford Motor Company. **Last year's vendors have first claim for their spot only if their application is received before the FIRST DEADLINE date.**

Booth will be open: Friday 4:00PM to 10:00PM, Saturday 11:00AM to 10:00PM, Sunday 11:00AM to 4:00PM.

Pacific Partnerships reserves the Right to disallow sales or display of inappropriate items. This includes but is not limited to: Tobacco or Alcohol Products, Firearms, Items of Sexual Nature, and Gang Affiliations or Weapons.

No city Business License is required to sell at this event, however, vendors are responsible for all taxes and other permits that may be required (i.e., Food Handling Health Permits).

The City recommends that you have liability insurance naming City of Pacific and Pacific Partnerships as an additional insured.

Past and Future Vendors:

Pacific Days 2010 is almost upon us and the festivities are being planned out in detail as of the mailing of this letter. Once again, our theme centers on family and kids. This has been a huge success in past years and we've received a lot of upbeat feedback regarding all the Pacific Days activities that we have had that center around the idea of everyone having lots of FREE FUN.

At this year's event, we will provide lots of opportunities for merriment, laughter, and excitement throughout the weekend with games and prizes, big inflatables for the kids, musical entertainment, a chain saw competition and much more! We will keep the music and entertainment flowing all day long and have an emcee who will keep things moving on stage.

With all the excitement and planning taking place, we want to also make sure you know how important it is to us that we have your participation as well. This is why we are sending you your application form so you can reserve your space early. Once again, we are adjusting our vendor booth layout in the City of Pacific Park in order to attain the maximum exposure for each vendor booth as well as a smooth flow of traffic. So, don't miss out on a good spot! Last year we had at least 50 vendors, so get your application in early to reserve your space.

The Pacific Days event is on July 9, 10, and 11, 2010 (the second full weekend of July).

We're all looking forward to hearing from you and seeing you at Pacific Days 2010.
